New This Year! Don't have time to ring? Sponsor a seasonal bell-ringer

Every year, The Salvation Army is able to offer seasonal jobs as bell-ringers to fill in gaps that volunteers are unable to fill. Many rely on this added income to support their own families. You can increase your impact on the local community by sponsoring one of these seasonal workers, giving them a boost and increasing the bottom line of the kettle campaign. The kettle campaign is the biggest fundraiser of the year for The Salvation Army and provides many meals, nights of shelter and compassionate care to the less fortunate. Recognition on all signs if commitment received by November 1.

HOW DOES IT BENEFIT MY COMMUNITY?

A successful Red Kettle season greatly increases The Salvation Army's ability to meet the crisis needs of food, clothing and shelter in the community throughout the year. Your support also helps provide Christmas gifts and food to families who otherwise would not be able to afford it.
