Other Notes:

- If the “Likes” is a color, make sure to type the word “Color” in front.
 - Example: Color Pink or Color Blue
- Do not put a wish in the need line or vice versa
 - Example: Need - Jeans, Wish - Shoes
 - Example: Need - Headphones, Wish - Dollhouse
- Only list ONE thing in the "Likes" category. And make sure it isn't a second wish.
- If they ask for a School Uniform item, make sure to put the color next to the size for that item.
 - Example: Need - School Uniform Pants, Pants Size – 12 Khaki
- You do not need to put the clothing size in the Need line.
- Do not write "None" in the Special Note. Just leave it blank.
- Double check the clothing type.
