RE: Christmas Kettles

Dear friend

Allow me to thank you for partnering with The Salvation Army this past holiday season by permitting us to place a kettle and “ring the bell” at your business. I realize that this was a risky decision in light of the Coronavirus. I assure you, the Salvation Army carefully followed required protocols in an effort to restrict the spread.

You helped us raise over \$150,000, and although we fell short of our seasonal goal, I consider our 2020 effort a success simply for being able to man the kettles and bring some “normalcy” and holiday cheer to your shoppers. Again, thank you for the opportunity.

I look forward to partnering again later this year.

God bless you!
