It's time to RING THE BELL!

For nearly 130 years The Salvation Army has been using the red kettle to collect needed dollars to fund our social service ministries. As you have aware, COVID-19 has had a grave impact on our community. More families than are in need, but resources are limited. Please help us "Rescue Christmas" for hundreds of children in McLennan County.

Beginning on Friday, November 13, The Salvation Army of McLennan County will kick-off our annual Red Kettle Campaign. We would like your permission to place one of our iconic Red Kettle stands in front of your place of business. Our kettles will be manned by Salvation Army workers and volunteers, generally from 10am to 8pm, Monday thru Saturday thru December 24, 2020.

Please complete the permission notice at the bottom of this letter and return to us at your earliest convenience, but no later than Wednesday, November 4. Please address your email to our Red Kettle Coordinator, Norris McCollum, at norris.mccollum@uss.salvationarmy.org; or to the address or fax listed above.

Thank you in advance for your support.

God bless you!
